## Changing Room Policy

Broomhill LT&SC wishes to provide safe and inclusive changing facilities for all members and visitors to the club.

This document sets out the Broomhill policy for the acceptable use of our changing rooms.

1. The club does not have separate changing and showering facilities for adults and children. We ask that junior members come to the club already changed, wearing suitably warm clothing e.g. tracksuits, and go home afterwards to change and shower.
2. Children should be supervised by a parent or guardian if entering the changing rooms.
3. Under no circumstances will adult staff, coaches or volunteers change or shower at the same time as children using the changing rooms.
4. Due to the risk of inappropriate photography mobile phones and other electronic devices must not be used in the changing rooms.
